

URGENT NOTICE FOR 1ST PART OF 4ºC. VIDEO CALL CONNECTION 5TH OF OCTOBER AT 12:35 THROU AULA VIRTUAL LAGUNA.

Good evening guys:

I hope everybody is fine, or without any important symptom. The reason of this notice is to inform you that tomorrow we are going to have our normal workout through a videocall. If for a justified reason you cannot connect at that time, write to me an email or contact me through Aula Virtual as soon as possible (I tell you how to do it at the bottom).

These are the steps to connect tomorrow to our videocall in which you will have to be ready to workout with your sports clothes & trousers:

- Activate your email of Educamadrid
- Surf inside of Laguna de Joatzel web page & go inside of ENLACES (Links) (right side of home page) Access to AULA VIRTUAL (it has a horizontal pencil) & click.
- Click in ACCEDER (right top of the page) & write down your Educamadrid mail & password.
- Once your name appears at the right top of the page click in 4º ESO & look for: Physical Education. Belén Romo, & click there.
- At the momento you are in look at Avisos & follow the instructions of the audio or click directly in 4CONNECTION to start the video-call.

This is going to be the first time that you connect in Aula Virtual for most of you, from now onwards this is going to be the mean for virtual connections.

I hope to see you at the videocall tomorrow morning at 12:35.
